IF YOU WERE NEVER LUCKY BEFORE

you will be if you accept this offer before the bulbs are gone. These new varieties, which you have never seen, will not be offered again at \$25.00 for the entire list because age, health and Doctor's orders curtail my activities. If you haven't got the money to take the full page, BORROW it. You'll never be sorry. Most items are in short supply; if you order by name, state a second choice. No orders accepted from dealers or commercial people. All varieties are large-flowered except those indicated as miniatures. (Min). Attachment and placement good on everything on this page. The name designates the color when possible.
